

**Solid Dance Battle**  
**Parent Code of conduct**

NO dancer will participate in ANY SOLID EVENT, without turning in this form.

PARENTS: You are responsible to read this to your dancer, and make sure they also agree and understand this rule.

This form is separate for a very specific reason. PLEASE READ IN ITS ENTIRETY, AND UNDERSTAND, there are NO EXCEPTIONS to this rule. If at any time a parent or anyone associated with your dancer contacts BATTLE staff regarding any of the below statements, your child will NO LONGER HOLD THEIR SPOT ON THE PERFORMANCE THEY WERE CHOSEN TO BE IN.

1. NO PARENT AT ANYTIME WILL CONTACT, OWNER J.R., OR ANY OF SOLID BATTLE STAFF, CHOREOGRAPHERS, TEACHERS AT ANYTIME REGARDING CHOREOGRAPHY.
1. NO PARENT AT ANYTIME WILL CONTACT, OWNER J.R., OR ANY OF SOLID BATTLE STAFF, CHOREOGRAPHERS, TEACHERS AT ANYTIME REGARDING FORMATIONS PLACEMENT.
1. DANCERS: YOU are responsible to talk to the staff and say how you feel. This is your job, NOT your parents, YOU have a voice; use it. We are here for you and want you to grow and we are happy to give you feedback to help you grow.
1. BY SIGNING BELOW, I UNDERSTAND, no matter my child's level at my home studio, this does NOT determine my child's level at the BATTLE. Dancers from all over the United States are joining together for ONE DREAM, ONE TEAM!

The slate is wiped clean at the BATTLE and ALL dancers are expected to show up! Be YOUR best; and fight for your spot. NO dancer is entitled at the BATTLE and all dancers will be looked at the same.

If your dancer is not chosen for VIP auditions (VIP is the 1st 4 rows in formations and will be given extra opportunities in the performance), then there's always next year. WE all have room to grow as a dancer and as a person. Allow your child to progress with this realization, that just because you're "the best" at your home studio, does not mean you're "the best" at the BATTLE.

By signing below, you agree to allow your child to grow and enjoy the process of not only personal growth through this great art we all call DANCE, but also in the great thing we call LIFE.
